Re: 2019 IHOA Board of Director Elections

Dear IHOA Nominating Committee and Fellow Officials:

I am proud to accept the nomination to join the IHOA Board of Directors. I believe IHOA needs a new voice added to their Board and that I would be a great choice.

My on-ice resume includes working for AHAI, NA3HL, NAHL, USHL, SPHL, ACHA, BIG 10, ECHL, AHL, and IIHF. I have been fortunate enough to be selected for the playoffs in the NA3HL, NAHL, USHL, SPHL, ACHA, ECHL, and AHL; also being honored to work five ACHA D1 National Championships, 2012 and 2013 Robertson Cup Finals (NAHL), the 2015 Clark Cup Finals (USHL). I was also selected to work the 2017 All American Prospect game in Buffalo, and the 2018 IIHF Men's Division 2 World Championships overseas in Europe.

For my development, I have attended the 2012 USAH Regional Camp, 2014 USAH Program of Merit, the 2016 NHL Exposure Combine as a prospect, the 2017 USAH Elite Experience Camp, and multiple training camps for the NAHL, USHL, and ECHL for full-time officials.

Within IHOA, I have volunteered at numerous seminars, evaluated and supervised a multitude of games, and was an instructor for the ADP while living in Des Moines for USAH's Officials Development Program.

Recently, I have taken pride in advancing officials to higher levels outside of IHOA. I have supervised, evaluated, scouted, and mentored numerous officials and have put them in connection to USAH's ODP. I have connections to the scheduler of the ODP, Director of Officiating for the NAHL, the Referee-in-Chief for the USHL, NHL Officiating Managers, and current NHL Officials.

Outside of hockey, I am currently pursuing my business degree and work part-time at my local gym.

I have had much success on the ice and hope to translate that success to off the ice and help IHOA in many capacities.

Thank you for your consideration,

Ian McCambridge
