

Mark Bialko

My name is Mark Bialko and I have just completed my third year as an official. I was an official previously for seven years.

I was in the Advanced Development Program and Mentoring Program this past year.

I have officiated 6 State Championship games the past two years, the one being the High School JV Championship game.

I have officiated over 175 games this past season at all levels.

I have been involved in ice hockey since the age of 5 as a player, coach and official. As a player I played for The Park Ridge Hornets, High School Varsity for Maine East and Junior Hockey for the Rangers and Falcons programs.

I am a graduate of Lewis University with a Bachelor of Science in Aviation Maintenance Management. I work for NetJets Aviation as a Line Maintenance Site Manager at Chicago Midway International Airport.

I have lived in Naperville for the past 19 years with my wife Rachel and son Michael, who is a first year official.
